

City of Nacogdoches Aviation Fuel Pricing Policy  
Fuel Discount Rate Schedule  
Approved January 15, 2008

**On-site Discount:** Ground Lessees' and sub-lessees' aircraft based at A.L. Mangham Jr. Regional Airport will receive a \$.05 per gallon discount off the published price for Avgas or Jet A fuel. The discount will apply to both full-serve and self-serve fuel. Aircraft pilots/owners wishing to utilize the self-serve discount must first bring their personal credit card to the airport manager's office for discount programming with the current card reader software.

**Prepay Discount:** A prepay discount is available to all aircraft using the A.L. Mangham Jr. Regional Airport self-serve tanks for Avgas and Jet A fuel. The prepay discount will apply for both of the following \$1,000 and \$500 prepay cards:

\$1,000 Prepay Card - \$.20 per gallon discount off the published self-serve fuel price  
\$500 Prepay Card - \$.10 per gallon discount off the published self-serve fuel price

Prepay cards can be purchased from the airport manager's office. If the card is lost, a \$5.00 fee will apply to issue a new card.

**Volume Discount:** A volume discount will be offered for full-serve Avgas and Jet A fuel on a per fuel transaction basis. A step discount will be offered at 200, 300, 400 and 500 gallon intervals:

200+ gallons - \$.05 per gallon discount off the published full-serve fuel price  
300+ gallons - \$.10 per gallon discount off the published full-serve fuel price  
400+ gallons - \$.15 per gallon discount off the published full-serve fuel price  
500+ gallons - \$.20 per gallon discount off the published full-serve fuel price

***Only one discount will be allowed per fuel transaction. No discounts will be combined.***
