Application Accepted By:	IMPORTANT INFORMATION 1. Separate permits are required for electrical, plumbing, mechanical, and fire protection. 2. Permits become null and void if work or construction authorized is not commenced within 6 months or if construction or work is suspended or abandoned for a period of 1 year at any time after work is commenced. 3. I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of law and ordinances governing this type of work will be complied with whether specified herein or not, the granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
